EDUCATION

Rashtriya Raksha University, India July 2019 – Present
- **Bachelor of Technology in Computer Science Engineering** **CGPA:8.4**
- **Coursework:** Data Structures, Software Engineering, DBMS, Object Oriented Programming, Computer Network, Operating Systems

Edunova Higher Secondary School Jul 2014 – Jun 2018
- **Higher Secondary** **Percentage:62%**
- **Coursework: Math, Physics, Chemistry, English, Computer**

TECHNICAL SKILLS

- **Languages:** Java, Python, JavaScript, C++, C, HTML, CSS
- **Databases:** MySQL, MongoDB
- **Libraries, Frameworks and Tools:** ReactJS, NodeJS, Bootstrap

PROJECTS

What crop to grow

Python | NumPy | Scikit Learn | Panda | Machine Learning Algorithms

- Crated a machine learning model in which we have to insert field's Nitrogen, phosphorous, humidity, and temperature levels , model will predict what crop to grow in that field

Additional Details

- **Competitive Programmer**
- **Good at Data Structure and Algorithms**
- **Taught Math to JEE Aspirants**
- **Sports Enthusiast**
